Hi everyone,

Per our conversation, I am setting up a recurring meeting for us on the third Monday of every month to discuss Idea Generation/Next as a group. I will reach out to each of you individually to discuss the specifics of the kickoff event taking place at your college or university. These meetings will be to make sure we are all on the same page moving forward. Please use the GoTo Meeting information below my signature for each of our calls.

Action items before next meeting:

- Please send me potential dates for the kickoff at your location between October 1 and November 15
 - Remember these can be events that we can “piggy back” on

I look forward to speaking with you all next month.

Thank you,

Natasha Wayne
